

## WORTH A MAN'S TIME

"It's worth coming all the way out from Utah to see how sugar cane is turned into sugar," said Mr. Herman Hill, a wealthy man from Salt Lake City, Utah, who is stopping at the Alexander Young Hotel.

"One of the first things I did, after my arrival in Honolulu last week, was to go down the Oahu railway to visit a sugar plantation. It is a great industry and an interesting object lesson to a stranger, who has seen nothing else but wheat, alfalfa and corn grow."

"It's worth a man's time to come to Hawaii just to see how sugar is made. I watched the cut cane from the time it went into the crushers until it oozed out into the vats. I am going to visit other plantations while here, for I want to understand the sugar methods thoroughly before returning home."

### Clark Returns With Young Wife.

NEW YORK, January 11.—Senator William A. Clark of Montana brought back today from Europe on the Kronprinz Wilhelm his young wife, but left the baby behind in Paris with a dozen nurses. Mrs. Clark was so ill on the trip across that the ship surgeons were in constant attendance. Because the Senator married Miss Anna La Chappelle, a French-Canadian young woman, three years before the public announcement of the ceremony, and because there was a girl baby two years old when the wedding news was made public, there was considerable curiosity to see Mrs. Clark when she landed today from the steamer. In the hope of discouraging curiosity seekers Mrs. Clark remained on the steamer for over an hour after the steamer berthed. She underestimated the lasting qualities of those who, while waiting on the pier, discussed the question of how society would receive her. The Senator and his wife will go to Washington, where their mansion will be opened. After the sessions of Congress the couple will again go abroad.

Possibly the defense may apply for permission to put on witnesses from the U. S. S. Iroquois, which it was prevented doing on Saturday by the non-arrival of that vessel.

### Caesar Young's Wife.

The widow of Caesar Young will soon again be a resident of San Francisco. She has written for her old apartments in the Palmetto, a flat house at 322 Ellis street, and is expected to arrive within a few days.

Mrs. Young resided at this same address with her husband many years ago, leaving it only a short time before his sensational death while in a cab with Nan Patterson in New York. Mrs. Young is said to be the only person of whom the accused actress has shown any fear while in court on trial for her life, and, in the event of her eventual release, it is not probable that she will regret a single one of the many miles which separate her from the wife of the man with whose murder she has been charged.—S. F. Chronicle.

### An Enjoyable Outing.

## Why Our HAMS and BACON Are So Good.

Because we get the best Eastern hams and bacon to start with, then, what is most important, we re-smoke them fresh every other day. That gives them the rich, juicy flavor you always find in those we sell. Unless the meat is thus treated you will find it dry and unpalatable. Try a small order and you'll see what we mean.
